What is IEEE?

- Professional society for those with technical interests in electrical and computer sciences, engineering and related disciplines:
 - Computer Science
 - Information Technology
 - Physical Sciences
 - Mathematics
- Not CS, EE, or CompE?
 - Open Organization

What is IEEE?

- Over 400,000 members (90,000 students), in more than 160 countries
- Publishes 148 transactions, journals and magazines
- Sponsors over 1,100 conferences in 73 countries
- <http://www.ieee.org/index.html>

Why get involved?

- It is a great way to interact with people within your Major
- A great way to know the upperclassmen and learn about what is to come
- Get great advice from students who have been through the tough classes, co-op, etc.
- Get help with personal projects
- Get to hang out in a cool Office (810A Rhodes)
- Online articles and resources for projects and lab material
- Conferences
- Become more involved with faculty
 - Help on their projects
 - Help getting co-ops, get into grad school

How to get involved

- No formalities, just attend 3 events per Semester and get to know us!
