# What is IEEE?

- Over 400,000 members (90,000 students), in more than 160 countries

- Publishes 148 transactions, journals and magazines

- Sponsors over 1,100 conferences in 73 countries

- http://www.ieee.org/index.html

# **Why get involved?**

- It is a great way to interact with people within your major

- A great way to know the upperclassmen and learn about what is to come

- Get great advice from students who have been through the tough classes, co-op, etc.

- Get help with personal projects

- Online articles and resources for projects and lab material

- Conferences

- Become more involved with faculty

    - Help on their projects

    - Help getting co-ops, get into grad school

# How to Get Involved

- No formalities, just attend 3 events per semester and get to know us!
